

Patrons provide vital support for our film, education and outreach programmes, while receiving every opportunity to experience all that BIFF has to offer. **Director's Circle Patrons** receive complimentary ticket offers or advance purchase opportunities to film screenings. You will be given every chance to attend these popular and often sold-out events. Over the years, many **special guests** have joined us for memorable evenings at BIFF's Filmmakers' Dinner – to which **Director's Circle Patrons** are invited – including Carrie Fisher, Richard Dreyfuss, Willem Dafoe and Peter Riegert...to name a few. All benefits are extended for a full calendar year from the date that a gift is received and may be renewed on an annual basis.

Director's Circle Patrons will receive the entitlements and have the choices outlined below.
